

**TEMPORARY CLOSURE
LAS AMERICAS DENTAL HEALTH
Monday March 16 to Sunday March 29, 2020
(Tentative)**

Covid-19 continues to spread across the United States, and the Washington, D.C., region is no exception.

+250 Coronavirus Cases Confirmed in DC, Maryland, Virginia

Dear Patients,

At Las Americas Dental Health, our main goal has always been to protect the health of our patients, our team, and our community. In light of the COVID-19 pandemic, we're closing the office for all elective dental treatment until Monday March 30 (Tentative). We will contact you as soon as the office reopens or if this date changes. Here are some more details you should know:

- If you have a dental emergency, please contact us and we'll take care of you first by phone, text or email. If you're in pain, have a broken tooth, or an abscess, please call or text us. We will respond ASAP.**
- If you have essential ongoing treatment with us, we will keep you on the schedule or re-appoint your treatment as needed. We will be reaching out to each of you individually**

We wish you all good health. Please know that we will get through this together!

Be safe,

The team at Las Americas Dental Health
